

BLUE LAKE FINE ARTS CAMP Repertoire (1983-2005)

I served as a conductor at the Blue Lake Fine Arts Camp in Twin Lake, Michigan between the years of 1983 and 2005. The following works were rehearsed and performed in concert during those summers.

While all are worthy of consideration, the highlighted works are exemplary and rich in teaching and learning potential. And although a few are relatively new, they have proven themselves through many performances. They are structurally and stylistically valid, and historically significant.

I conducted various ensembles during those summers. The younger students were placed in the White Band (also Blue & Red), while the more advanced students were placed in the Symphony Band and later the Wind Ensemble. The Staff Band students were camp counselors, most of whom were college music education majors. The International Band was a select group of high school students who toured Europe with me during the summer of 1992.

The date refers to the most recent performance.
