

EAST ALLEGHENY HIGH SCHOOL
Symphony Band
Repertoire (1967-1982)

I served as the Director of Bands at East Allegheny High School in North Versailles, Pennsylvania (near Pittsburgh) between 1967 and 1982. The following works were rehearsed and performed in concert during those years. A few selections, scored for various chamber ensembles, have been included if they were programed as part of a scheduled band performance.

While all are worthy of consideration, the highlighted works are exemplary and rich in teaching and learning potential. And although a few are relatively new, they have proven themselves through many performances. They are structurally and stylistically valid, and historically significant.

The date refers to the most recent performance.
