

PALATINE CONCERT BAND

Repertoire (1997-2000)

I served as the conductor of the Palatine Concert Band (Palatine, Illinois) between the years of 1997 and 2000. The following works were rehearsed and performed in concert during those years.

While all are worthy of consideration, the highlighted works are exemplary. And although a few are relatively new, they have proven themselves through many performances. They are structurally and stylistically valid, and historically significant.

The date refers to the most recent performance.
